USER MANUAL (JL)

Dear AWEI User,
Thank you for choosing AWEI product. Your choice is crucial for us, which means AWEI has added a new user. Hope that we will bring you a good experience through our products and services. Also hope you will put forward the good advice and suggestions by official customer hotline, Weibo and Wechat in the process of product experience, which can help AWEI to constantly improve product and service.

If you encounter any problems in the using product, please refer to service process. Your support is our strongest power, also your recognition and evaluation are a great encouragement to AWEI. Thank you!

AWEI sales team

Introduction

Thank you for purchasing the model AWEI T78 True wireless Bluetooth earbuds. Please read this manual before use.

Bluetooth wireless communications Technology introduction

Bluetooth is a kind of wireless technology which support short distance communications (work normally within a distance of 10M). It can exchange information by wireless between many IT digital devices like mobile phones / wireless earphones / computers etc. Bluetooth technology effectively simplify the communications which makes device and data transmission quickly and effectively.

Accessories List

- 2X Wireless Earbuds
- 1X User Manual
- 1X Portable Charging Case
- 1X Type-c Charging Cable

Overview Of Headset

How To Use

User Manual

Open the charging case and take out the earbuds, they will automatically turn on.
Power off: Put earbuds into the charging case and close, turn off automatically/ when there is no unconnected device, touch the MFB button for 5 seconds.
Earphone pairing: the left and right earbuds are paired automatically, it is unnecessary to pair.

Pairing

Single ear connection:

1. Take out only one of the headphones from the charging case.
2. Turn on Bluetooth on your phone, search for "AWEI T78" and click to pair and connect. (You will hear the prompt tone "Connected" after successfully connecting to the mobile phone)

Two Earbuds Connection

1. Open the charging case, earbuds will connect automatically, Master earbud' red and blue light will flash and earbuds start to enter pairing status. (Now earbuds are in pairing and you can open phone or connect other Bluetooth devices.)
2. Open phone or other Bluetooth devices, search "AWEI T78", click it and connect. (when Bluetooth paired successfully, you will hear "connected")
3. Re-connect automatically: It will re-connect automatically to paired devices. (Premise is that devices' Bluetooth is on and earbuds paired record still exist.)

How To Use

Note:

1. These two earbuds already be paired before delivery. So when you get earbuds, it is unnecessary to pair two earbuds by yourself.
2. If both earbuds cannot be automatically paired (i.e. two earbuds are flash red and blue lights alternately at the same time), put the left and right earbuds into the charging case and then take them out. The left and right earbuds will be automatically paired without any other operation.
3. When TWS connect successfully, "L" earphone red and blue indicator flashes slowly, "R" earphone indicator light is off. Then it's available to connect with mobile. (If pairing is not successful, please put earphones back to charging case and repeat above instructions)

Note:

1. When your earbuds are connected with phone and you find one earbuds no sound, you can turn off bluetooth on phone and put earbuds back to charging case. Then take them out again, these two earbuds will be successfully paired within 1-10 seconds, till the blue light flashes singly.
2. If the earphone or signal light does not respond, please press MFB for 8 seconds to reset

How To Use
