Also hope you will put forward the good advice and suggestions by official customer hotline, Weibo and Wechat in the process of product experience, which can help AWEI to constantly improve product and service.

If you encounter any problems in the using product, please refer to service process. Your support is our strongest power, also your recognition and evaluation are a great encouragement to AWEI. Thank you!

AWEI sales team

Introduction

Thank you for purchasing the model AWEI TP92 ANC smart touch true wireless sport earbuds. Please read this manual before use.

Tips:

Before use, please tear off the protective film from charging pins on earbuds, and put back the earbuds to charging case for activation, then it can use and charge.

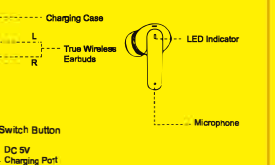

Accessories List

- 2X Wireless Earbuds
- 1X User Manual
- 1X Portable Charging Case
- 1X Type-C Charging Cable
- 2X Pairs Earcaps

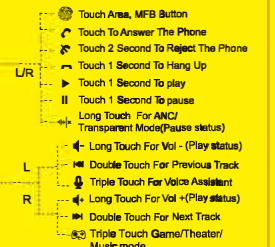

Overview Of Earbuds

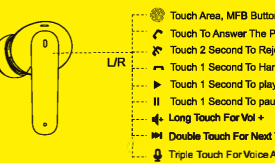

Function Operation

Binaural Mode (both earbuds together)

Function Operation

Mono Mode (any one of the earbuds)

How To Use

Double Earbuds Connection

- Take out two earbuds from charging case, earbud will connect automatically. The master earbud indicator flashes ice-blue and white light alternately, the other bud flashes ice-blue light slowly (That indicates two earbud connect successfully) and earbuds are in pairing mode, which is ready to connect with the Bluetooth devices.
- Open device Bluetooth, search "AWEI TP92 ANC", click it and to connect. When Bluetooth is paired successfully, you will hear prompt tone "connected".
- Re-connect automatically: The earbud will re-connect automatically to previously paired devices. (Premise is that device's Bluetooth is on and earbud pairing record still exist.)

Set Up Your Earbuds

- Power on:** Take out earbuds from charging case; Or long press L or R bud about 5S, it will power on automatically. It is unnecessary to pair two earbuds by yourself.
- Power off:** Putting earbuds in the case and closing the case will power them down automatically; Or long press L or R bud about 5S, it will power off automatically.
- Reset earbuds:** Touch 7 times L and R at the same time, you will hear the prompt tone, which indicates the reset successfully.

Single Earbud Connection

- Take one earbud out of the charging case.
- Open device Bluetooth, search "AWEI TP92 ANC", click and to connect. (When the earbud and device connect the successfully, indicator ice-blue light flashes and you can hear prompt tone "Connected".)

How To Use

LCD Screen Operation

- Long press the switch button to power on/off the case, then you can do the LCD screen touch operation.
- Click the switch button at the bottom of charging case, and the case screen will light up. Swipe left to unlock the screen, and you can touch the screen to operate different functions, just like the smartwatch screen.

Note

- The two earbuds are already paired before delivery. So it is unnecessary to pair two earbuds by yourself.
- If two earbuds cannot pair successfully, please click L and R buds 7 times to clear the BT pairing record, please put them back into charging case and close the lid, then take the buds out of case, the L and R buds will pair automatically (Remark: After opening the lid, please check if the case and buds are connected, which means the left number of time on screen is "1", to make sure you can use the earbuds later conveniently).
- If the earbuds do not play any sound after connected with device, please put both earbuds into the charging case and close the lid, then open it and take the earbuds out again. (The earbuds should automatically connect to the device that they were last paired with.)
- If the earbuds power on without being connected with device, it will power off automatically.
